

*When disaster strikes,
we're there for one another.*

At McKesson, we care about each other.

And we know that life sometimes brings the unexpected.

The **Taking Care of Our Own Fund** is here for you when times are tough.

Get You to Safety Grant

Helps with evacuation costs in a FEMA-declared disaster, like a hurricane.

We Care Grant

Helps with financial hardship after sudden events – like family emergencies, major storms or house fires.

The Fund is supported by McKesson, the McKesson Foundation, and employees across our company.
